## **1 Introduction**

This is the second assignment for ME314. This assignment will consist of a series of problems to solve from the book.

You will turn this assignment in on blackboard via turnitin and we will go through it in class the second lecture after you turn it in.

## **2 Readings**

Please read chapters 1-4, if you have not already which is what we have been lecturing on. In fact, we have skipped most of chapter 3, but will be going back to it, so please read 1-4.

## **3 Problems**

2.1, 2.2, 2.12, 3.9, 3.10, 3.32, 4.3, 4.10, 4.17, 4.55
